

## Earn ABOS Self-Assessment Examination Credits through American Spine Registry (ASR) Participation

As part of its wide variety of data reuse initiatives, the American Academy of Orthopaedic Surgeons (AAOS) Registry Program provides ASR surgeons the opportunity to earn up to 10 self-assessment examination (SAE) credits for the American Board of Orthopaedic Surgery (ABOS) Maintenance of Certification (MOC) Part II for each year of participation in the Registry.

Steps to attain SAE Credit:

1. Participate in ASR
  - Your hospital, health system, ambulatory surgery centers (ASC), or practice needs to be contracted with ASR and actively submitting data on your behalf (active = at least quarterly)
2. Create a Surgeon Authorized User account
  - Reach out to your site's Registry Authorized User to be added or contact [Info@AmericanSpineRegistry.org](mailto:Info@AmericanSpineRegistry.org)
3. Login to the RegistryInsights® platform
  - You have access to view your data and download your MOC certificate at any time via the Surgeon Dashboard on RegistryInsights

The image shows a screenshot of the RegistryInsights platform. The top section is a login form with the AAOS and RegistryInsights logos. It includes fields for Email Address and Password, a 'SIGN IN' button, and a 'SIGN UP NOW' button for users without an account. Below the login form is a navigation bar with links for HOME, DASHBOARD & REPORTS, and TOOLS & RESOURCES. The main dashboard area displays a title 'Dr. Anthony Brothers's Procedures' and several data points: Total Procedures Nationally, Gender Distribution Nationally, Mean Age Nationally, and Mean CCI Nationally. A blue arrow points to a 'PRINT MOC COVERSHEET' button in the top right corner of the dashboard. A text box above the button says 'Select "PRINT MOC COVERSHEET" to download your letter'. The date and time '5/19/2023 2:54:26 PM' are displayed in the top right corner.

4. Select "Print MOC Coversheet"
  - Navigate to the yellow button at the top right of the page
  - Select "ABOS" for the letter type and the year to run your report
5. Email your MOC certificate to AAOS Registries staff
  - Send to [Info@AmericanSpineRegistry.org](mailto:Info@AmericanSpineRegistry.org) and state which year you are seeking credit for
  - An AAOS Registries team member will validate your participation in the registry and record the credits in your MyAAOS portal for submission to ABOS
  - Separate certificates are needed for each year you are interested in receiving credit

To Whom This May Concern,

Per the request of the Maintenance of Certification Part II, please see below for the details of participation for Dr. TestUser (ANTHONY BROTHERS) at Baptist Hospital.

As part of Baptist Hospital, Dr. TestUser (ANTHONY BROTHERS) is actively engaged with the American Spine Registry (ASR), a partnership between the American Association of Neurological Surgeons (AANS) and the American Academy of Orthopaedic Surgeons (AAOS), and has submitted the appropriate files to the ASR during the specified timeframe of 1/1/2023 - 12/31/2023.

Please see below for additional details.

**Surgeon Name:** TestUser (ANTHONY BROTHERS)  
**Site Name:** Baptist Hospital  
**ASR Account:** 1038018  
**Most Recent Files Submitted On:** 5/9/2023  
**First Submission On:** 3/31/2023

Please feel free to contact me with any questions or issues on this matter.

Sincerely,

*Philip Dwyer*
